Screenshot Inputs For PDF Visual Walkthrough

Place PNG screenshots in this folder to populate the stylized User Guide PDF screenshot pages.

Preferred files

- 01-library-overview.png
- 02-editor-detail.png
- 03-menu-bar-popover.png
- 04-global-launcher.png
- 05-quick-paste.png
- 06-favorites-archive.png

Page mapping in the PDF

- Main Window Workflow page:
- uses 01-library-overview.png or 02-editor-detail.png
- Menu Bar Quick Access page:
- uses 03-menu-bar-popover.png
- Hotkey Launcher page:
- uses 04-global-launcher.png or 05-quick-paste.png
- Library States page:
- uses 06-favorites-archive.png

If a file is missing, the PDF renders a branded placeholder panel and lists the expected filenames.
